PRODUCT DATA SPECIFICATION

Jasper Small Stool

The Jasper small wooden stool is handmade by our craftsmen from sustainably sourced solid oak. The tablet-shaped top of the oak stool, with its soft rounded corners, took inspiration from smooth stones. This led to the small stool being named Jasper after the mineral which is often used as a pebble-shaped gemstone. With its beautiful hand finished surfaces the low wooden stool has a wonderful tactile quality to the seat and dowel legs.

Dimensions

Height: 45cm / Width: 36cm / Depth: 28cm
